Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application. Please amend claim 37 as follows:

Listing of Claims:

- 1-34. (Cancelled)
- 35. (Original) A system for providing enhanced web-browsing, comprising:
 a data double, comprising data that identifies a member;
 service providers that provide service provider content including services and information;

a personal site that the member uses to access the service provider content; and an engine that processes the data double and the service provider content to provide relevant and meaningful content to the member through the personal site.

- 36. (Original) The system of claim 35, where the engine comprises:
 identity management that manages the data double to establish a personal profile, member preferences, member permissions, and activity data for the member; and context management that organizes service provider content, coordinates browsing processes, and provides an adaptive framework.
- 37. (Currently Amended) The system of claim 35, wherein the personal site comprises:

smart pages, comprising:

a log in page;

a home page; and

an adoptive adaptive framework, comprising:

selection navigators; and

a toolbar.

38. (Original) The system of claim 37, wherein the selection navigators provide direct page searching comprising:

a fixed hierarchal structure listing a web site's areas with sections and pages;

an explicit SQL criteria search, whereby the selection navigators gather and dynamically assemble web sites meeting the criteria; and

a group SQL criteria, wherein the selection navigators store the criteria, gather and dynamically assemble web sites meeting the criteria and update the web sites when new content is found meeting the criteria.

39-41. (Cancelled)
